I get really antsy when I'm not reading a book. In other words, I'm a print addict, if you will. Just kidding. I just wanted to say that. And here comes volume 57!

-Eiichiro Oda, 2010

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Q: I see Luffy eat a lot but he never gets fat. Now I'm jealous.
--Chikusa 10422

A: Hold on. He eats a lot but he also runs around a ton. It'd be weird if he got fat.

Q: I have a question. Whenever the Straw Hat Pirates defeat enemies, they only use the word "defeat." As it describes, I'm guessing that none of the enemies are dead. So is the reason why you don't use words like "kill" or "crush," because you're insisting that you "don't put an end to their lives?" Or is there some other reason for it?

--Tochisaki

A: Near the beginning of my serialization, my grandma in Kumamoto said, "Don't say stuff like 'kill this' or 'kill that' too much." It's natural for Luffy and his crew to not say it, but I think it's inevitable that the enemies do. But every time a friend or acquaintance died, I matured and understood how bad those words really are. Well, I still use those words as part of jokes or when they're said by REALLY bad guys. But I do think that they're bad words. So don't try it at home, okay?

Q: Is Urouge's weapon a pencil? Or is that a chocolate bat?
--Puffball No. 1

A: It's a pencil, I guess. So because Urouge couldn't find a pencil sharpener, did he go out to sea to get one? (Is that a 2B pencil?)

Q: I represent the northern Kanto region and came for an official request. Please make Whitebeard's birthday April 6 since it can be pronounced to sound like Shiro (White).

--Wealthy Class in Gunma

SOMETHING'S
FALLING FROM
THE SKY!

!?

WHAT?

(Skull Yukichi, Iwate)

Q: Odacchi! Hi! I have a serious question.
Tell me about your daily schedule!

--I'm Glad I'm Japanese

A: A serious question! All right. My
schedule looks like this. ➡ Use it
for reference if you want to
become a comic author!

Q: I remember laughing my head off in
volume 55, chapter 537, when I saw Hannyabal's
underwear. It had a strawberry pattern, didn't it?
Does he like cute underwear like that? Aside from
strawberries, what other underwear does he have?

A: I'm glad you noticed Hannyabal's horrible
taste in clothes. But I do hear that
Hannyabal's collection is quite something.

Q: What's up! ♡ I'm a girl! Oh! I love fish cakes. By the way, there's
something I want to ask you, Odacchi! Are
Inazuma's glasses (or sunglasses) 3-D glasses? They
have different colors so it made me do a double take.
If they weren't 3-D glasses, wouldn't everything look
jumbled up because of the different colors? Please
tell me! =3

--Masaking

A: I see! I guess that would be it. Well, he would be able to see all
the 3-D movies he wants. But everything he sees will start
jumping out at him because of those glasses. Like when he'd
see kids on the curb, he'd yell out "Look Before you walk!" to
them. Or when he meets Wanze, he'll go, "Your eyes are pop-
ping out way too much!" Wait, I guess his eyes have always
been like that. Yup... Oh, yeah. I think those are 3-D glasses.

Q: Will Hancock fall in love when she meets me?

--Native Hokkaidoan

A: You're Hannyabal, aren't you! I just know it!

Q: Hello, Mr. Oda! I have a question. Are the three marine "admirals" based on...?

Aoki ji

Yusaku Matsuda

Kizaru

Kunie Tanaka

Akainu

Bunta Sugawara

Am I right? I'm sorry if I'm not. If possible, can you tell us the reason for picking them too?!

--Mossball

A: Yup. You got all of them. The readers that are still in school right now PROBABLY don't know who they are. They are all Great Japanese actors. As for why I chose those three, it's because I like them. For Bunta Sugawara, I wanted to use his face from the movie *Battles Without Honor or Humanity*, But his distinctive crew cut hairstyle is hidden under his hat. In short, you can pretty much ignore this because it's just a personal preference of mine. To all the people who didn't know, just think of them as awesome-looking old men. (By the way, he also voiced a role in *Spirited Away*.)

Q: On page 183 of volume 55, Bon turned into Panda Man when he was spinning around. Has Bon touched the face of Panda Man before?

--Man Who Ate the Skinny-Skinny Fruit

A: Hey, you're right! It's there! That does make it true that he touched Panda Man's face. But I have no idea when he did it. Bon has so many surprises.

Q: We sometimes see people or giants with horns.
Are horns like buckteeth in this world?

--Wozapomu

A: Yup. They're there. Sometimes you doubt if they even have the same physiology as other people. Well, just think of them as minor displays of personality. I want to keep drawing many more funny faces.

Q: When I was talking to my friends about *One Piece*, there's one thing I noticed. I realized that you never call Luffy and his crew the "Straw Hat Pirates" and never the "Luffy Pirates." You always call them the "Straw Hats" every single time. Is this a policy of yours?

--Polici

A: Oh! Here we go again. A great guy that sees through it all. You're right. You're exactly right. What the anime, games, or readers call them is really none of my concern. They can call them whatever's easiest for them. But for me, I've decided to always call them the "Straw Hats." I've never called them anything else. Well done.

Q: There's one mushroom on my body that just won't come off! Should I go to the Women Island to get it pulled... Hm?! I see that you got a mushroom on you too, Mr. Oda. Do you want to come with me?

--Shimizu Chagero

A: That's my wiener, Shimizu Chagero. Oh, excuse me for being so vulgar. I should censor it. That's my wie#@r, Chagero! My wie#@r! Now then. Starting from page 188 is the voice actor Question Corner!

Hello, how do you do?!

It's time for our fifth voice actor Question Corner! Who is it this time?! Yes! It's our favorite pervert cook! Sanji's voice! He's actually really good at cooking! And he's a real pervert too! If only he'd keep his mouth shut, people would think he's cool! Hiroaki Hirata in the house!

Oda (O): And now! To fulfill everyone's hopes! Here's Hirata!

Hirata (H): Yo! Here I am! It's finally my turn, isn't it?! Oh, hey! Beautiful ladies! Oh, Nami! Are you watching me? I'm doing the Question Corner right now—Hgeegh!

O: Wait, "Hgeegh"? What is that?

H: Uhh, didn't you write that line somewhere?!

O: Did I? I don't remember at all. Anyway, here are the postcards, so let's do the SBS Question Corner and...

H: Hold on just a second! Do the usual. I always read this part, you know? What happened to your usual questioning about what SBS stands for?

O: I'm done with that. You guys do nothing but try to poke fun at it anyway. Oh, Mr. Hirata's getting depressed... Okay, fine. Then do you know what SBS stands for?

H: What?! (Huge grin) Why would you ask me that all of a sudden? (Huge grin) Man, good question!

O: Whatever. You probably didn't think of anything. Just tell me now.

H: (W)hoops, (D)on't (K)now!

O: You really didn't think of anything!?! Not even one letter matched!?!?

YOU'RE ALL RIGHT.

SQUARD!

POPS!

I'M GOING OUT TO FIGHT SOON! OUR ONLY HOPE IS TO KEEP MOVING FORWARD!

IF THEY'RE TRYING TO HEM US IN FROM BEHIND, THEN WE'LL JUST KEEP ADVANCING.

THEY'LL COME AT US WITH EVERYTHING THEY'VE GOT!

OUR PIRATES IN THE REAR ARE GETTING SAVAGED!

HUFF

HUH?

THERE'S SQUARD.

I DEDICATED MY LIFE TO THE WHITEBEARD PIRATES LONG AGO!

WE'RE ALL INDEBTED TO YOU.

YES.

OUR FIRST-RATE COOK, HIROAKI HIRATA!

Reader (Q): Mr. Hirata, I think you have already been fused in body and mind with Sanji, but what really is going on with Sanji's mystical left eye? Can you draw it out?

--My Top Measurement is 92cm ♡

Q: Is there anything that's curly on you?

--Tamaki

H: My wie@#r.

Q: Sanji is a great cook, but I also heard that you can do some cooking yourself! Is it true that you're good at making peperoncino? What other dishes are you good at making? ♡

--Udonya

H: The peperoncino that I make is super spicy. There were about three younger members of my theatrical troupe that fell victim to it. Too bad for them. Oh, and I'm good at making curry and dumplings too. ♪

Q: What is...love? ♡

--Jan Jack Man

H: Sweet trials and tribulations.

Q: Are you perverted like Sanji? How do you treat the other people you act with? But before that... Take this!

Negative Hollow!

--Courage Hero

H: I'm so sorry... Out of everyone, the only one I couldn't make perverted advances on was Mayumi (Luffy's voice actress).

Q: Marry me! I'm so much cuter than Nami or Robin! I'd do anything for Sanji's voice actor! ♡

--Dilka

H: Hmm. Too bad. You were just a bit too late!

Q: Do you know "Zolo"?

--How Do You Like Married Women? ♡

H: Sorry. I don't know too much about foreign languages.

Does it mean "fart?"

Hirata (H):

Q: Hello, Mr. Hirata. I heard from Mr. Nakai (Zolo's voice actor) that you're a mature adult that would never go peeping in a women's bath. You really would, right?

--Twirly Beam

H: Shhhhh! Be quiet! I'm in the women's Bath right now!

Q: Look! There's a MAN with the perfect feminine body (but with balls) and a WOMAN with the face of a middle-aged man right in front of you! Which one will you choose? As a man, you'll pick THAT one, right?! Huh?! That one?! That one?!

H: Hmm... Yes, **THAT** one too.

Q: If you hadn't become a voice actor, what would you have become?

--Love Your Last Line Said to Zeff

H: A train driver. Either that or a manga creator that also works as a voice actor!

Q: Bro! Wait! Phew. Glad I caught up with you... *weez* *weez* Here's the smutty mag that you lent me. Bye! ♪

--Yuccho

H: Took you long enough! I borrowed this from someone else too! Hey, Nakai! Sorry I didn't return this to you earlier.

Q: Let's have a cooking battle with Mr. Hiroaki Hirata! I got a roach and rat stew! Want some?

--Prince Dirty

H: What? Then I have stew made with soup stock from Cho-san's (Brook) Bones along with Yao (Franky), Nakai (Zolo), and Kappei (Usopp). It smells like Booze and farts and it'll cost you 8,000 yen!

Q: Mr. Hirata! I love you! You have to take responsibility for stealing my heart!♥ "Emporio Female Hormone!" (You can tell me in secret if your boobs are big or small.♥)

--Death Wink Kikui

H: No! Stop! It's embarrassing! I got a BIG Gut! A BIG Gut!

Oda: Thank you, Mr. Hirata. Now I think it's time that we wrap this up and... Ahhhhhhhh! Scary! ㄟ

H: Ahhhhhhhh!

Oda: Ahhhhhhhh! See you next volume!
